**Subject: 2022 SAME Scholarship Program (Submittal Deadline is April 28, 2022)**

The Space Coast Post of the Society of American Military Engineers (SAME) is extremely pleased to announce our expanded scholarship program.

Our SAME scholarship program enables us to offer up to four \$2,500 first-year scholarship grants for Brevard County High School Seniors entering a four year accredited college with degrees in Construction Related Curriculum in Architecture, Engineering, and Construction Management.

Additionally, when a student is selected, they are automatically enrolled in a scholarship continuation program with the SAME Space Coast Post. The continuation program currently offers up to \$1,000 in additional scholarship funding per awardee for the three years following the initial award. This unique opportunity makes this SAME scholarship a valuable benefit for up to \$5,500 to selected students.

Conferring selections will be based on academic performance, community service, and needs based. Please see the SAME application for details.

## **SAME First Year Scholarship Grants @ \$2,500 Each**

The Society is a non-profit professional Engineer Association dedicated to military engineering. It was founded in 1920 to engage military and federal government engineers with those in private life for the purpose of improving the engineering potential of the United States. Today, the Society has nearly 30,000 members from Industry, Military and Government Organizations, and Academia.

I encourage you to pass the attached application to qualified students. Applications are also available on our local SAME Space Coast Post website at [www.SAMESpaceCoast.org](http://www.SAMESpaceCoast.org).

Questions concerning the scholarship program may be directed to the following email address: [SAMESpaceCoastPost@gmail.com](mailto:SAMESpaceCoastPost@gmail.com)

Sincerely,

*Jerry King*

**The Space Coast Post of (SAME) is pleased to offer an expanded scholarship program to graduating high school senior students interested in pursuing a bachelor's degree in Architecture, construction-related Engineering or Construction Management.**

## 2022 SAME Scholarship Grants

The Space Coast Post of the Society of American Military Engineers (SAME) will award multiple First-Year Scholarship Grants, for academic achievement in the amount of \$2,500.00 each, to top-ranked graduating high school senior students.

All applicants must meet the eligibility requirements, submit a completed application by April 28, 2022, and provide a letter of acceptance to an accredited college of Architecture, Engineering or Construction Management prior to the anticipated Thursday, May 19, 2022, awards program.

### ELIGIBILITY:

Applicant must:

- 1) be a Florida resident;
- 2) be resident of Brevard County, Florida or have a parent that is a primary member in good standing within the Space Coast Post (primary member in good standing implies that dues are paid in full as of January 1, 2022 and the Space Coast Post is the primary SAME Post);
- 3) be a graduating high school student attending a public, preparatory, or parochial school in Brevard County, Florida or be a documented home schooled high school graduate. (Home schooled documentation must show registration through a covering Private School or registration with the Brevard Public School system);
- 4) rank within the upper 20% of his/her high school class;
- 5) plan to pursue a baccalaureate degree in infrastructure/facilities based Architecture, Engineering or Construction Management (e.g., Architectural design, power Distribution, HVAC, Civil/Site design, building envelopes, Smart buildings);
- 6) provide references and other indications of character and leadership; and
- 7) provide a letter of acceptance to an accredited college of Architect, Engineering, or Construction Management.
- 8) Submit a one page ESSAY, doubled space, 12 point font, which describes your interest in pursuing Engineering or related Construction Field.

### SELECTION PROCEDURES:

The recipient will be chosen on the basis of:

- (1) high school grades (with emphasis on engineering, math, and physical science courses) and unweighted grade point average;
- (2) test results (SAT, CEER, ACT, others);
- (3) recommendations by their principal, advisor, and/or instructor; and
- (4) references and other indications of character and leadership.

The scholarship grant will be awarded directly to the student's college scholarship fund.

The Scholarship Selection Committee will be composed of representatives from the SAME Space Coast Post. The decision of the Committee is Final.
